Steps taken by the school incase of any external threat/attack

The safety measures presently being followed in our schoolare as follows:

AT THE SCHOOL OFFICE
- Police Station is informed every incidents almost immediately
- A dedicated vehicle as an ambulance
- A well networked wirless communication(walky-talky) from the main gate to the school office
- All the important and emergency phone numbers are made known and on display on all staretgic points

AT THE SCHOOL GATE
- The whole area has been declared as School Zone
- High way patrol personnel are on duty during school hours
- School Staff also are on Traffic duty
- Security Staff at the gate are on the school pay roll

ENTRY INTO SCHOOL
- Visitors are screened and Visitor's Pass issued
- Log book is maintained at the gate
- No child leaves the school gate during working hours without an Exeat Slip
- Prior permission has to be obtained in case parents require to visit the school during the day

STUDENTS' SAFETY
- All students wear their ID cards
- If required to leave a class a Permission Slip is obtained from the teacher
- During the short break and Lunch Interval, Teachers are on duty at various points
- Helpers are on duty in the wash rooms to assist the students of Junior School
- The Infirmary is equipped with a Nurse and Doctor on call
- Medical Check up is conducted annually
- It is mandatory for students to carry the School Diary which has all details of the students and the Rules of the School

SAFETY ON CAMPUS
- The School building has a stability license and Sanitary Certificate
- Fire extinguishers have been installed at strategic points
- Rallying Point in case of any emergency is in place
- Mock Fire and Safety Drill is conducted at regular intervals
- R O plant filters water for all purposes
- House Keeping Records are maintained

In addition to all of the above, CCTV cameras have been installed in the buildings and offices and at strategic points in the campus, which has a strong compound wall running right around it.
